CHAPTER 6: COMMITTEES OF THE FACULTY

6.01. FACULTY COMMITTEES.

A. The term “faculty committee” as used in this chapter applies only to committees established by the faculty or the Faculty Senate and does not apply to committees created by the chancellor, by deans, or by others. Faculty committees subject to the provisions of this section may be called committees, boards, or commissions.

B. A faculty committee reports to the faculty through the University Committee and/or the Faculty Senate.

C. A majority of the voting members of a faculty committee must be members of the university faculty who do not hold administrative appointments of one-half time or more beyond the level of a department or program.

D. Actions taken by a faculty committee when the faculty members present do not constitute a majority must be approved either at the next meeting of the committee at which the faculty members constitute a majority or through other procedures established by the committee such as a mail ballot.

E. Persons not members of the university faculty may serve on faculty committees when appropriate. In particular, provision may be made for representation from the academic staff, students, and administrative bodies.

F. The faculty or Faculty Senate may provide for the selection of committee members; the scope of their authority; the rules and regulations for their proceedings; and the form in which the committee’s work should be reported.

G. Ad hoc faculty committees established by the faculty or Faculty Senate are subject to the general provisions of this chapter.

6.02. JOINT GOVERNANCE COMMITTEES.

A. “Joint governance committees” are committees established in conjunction with academic staff, classified staff, and/or student government to address issues of common concern which are not the primary responsibility of the faculty.

B. A joint governance committee reports to the faculty through the University Committee and/or the Faculty Senate and to other establishing authorities in accordance with their rules.

C. The rules of the establishing authorities may provide for the selection of committee members; the scope of their authority; the rules and regulations for their proceedings; and the form in which the committee’s work should be reported.
6.03. OTHER COMMITTEES ESTABLISHED BY THE FACULTY.

A. The faculty or the Faculty Senate may establish committees that are not faculty committees as defined in 6.01. or joint governance committees as defined in 6.02. All committees established in this chapter shall be referred to as Chapter 6 committees.

B. When a committee established by the faculty or the Faculty Senate that is not subject to the provisions of 6.01. considers issues related to academic matters, decisions shall be restricted to a subcommittee consisting of the faculty members of the committee. Decisions of the faculty subcommittee about academic matters cannot be overturned by the full committee. Disputes about identifying issues as academic shall be resolved by the University Committee.

6.04. OTHER COMMITTEES CONCERNED WITH ACADEMIC AND EDUCATIONAL ACTIVITIES.

A. Appropriate faculty bodies shall be consulted before other committees concerned with academic and educational activities are established. The appropriate body for campus-level consultation is the University Committee, and the appropriate bodies for school- and college-level consultation are the school or college academic planning councils.

B. Faculty members serving on campus-level committees established under the provisions of 6.04.A. should be selected in consultation with the Committee on Committees or the University Committee.

C. Such committees should not normally be established if there is a faculty committee or a committee established by the faculty whose responsibilities cover the academic and educational matters of concern.

6.05. SELECTION OF MEMBERS FOR COMMITTEES.

A. Unless other provision for selection is made, the Committee on Committees appoints faculty members of Chapter 6 committees, after such consultation with the chancellor or provost as may be appropriate.

B. Representatives of the academic staff on Chapter 6 committees shall be selected according to procedures established by the academic staff governance system.

C. Representatives of the classified staff on Chapter 6 committees shall be selected according to procedures established by the classified staff governance system.

D. Representatives of the students on Chapter 6 committees shall be selected according to procedures established by the recognized student governance organization.

E. An ex officio member of a Chapter 6 committee is a full member of that committee, with the right to participate and vote, unless legislation specifies otherwise.

F. The chancellor is an ex officio member of all Chapter 6 committees other than the Faculty Consultative Committee on Financial Emergency, the Commission on Faculty Compensation and Economic Benefits, the Committee on Faculty Rights and Responsibilities, and the University Committee. This ex officio membership shall be without vote unless other provision is made.
6.06. ELECTION OF FACULTY TO COMMITTEES.

A. Faculty members on Chapter 6 committees to be chosen by election are elected by the university faculty.

B. Persons who hold administrative appointments of one-half time or more beyond the level of a department or program are not eligible for election to faculty committees.

C. Unless otherwise provided, nominations for Chapter 6 committee positions that are to be filled by faculty election are made by the Committee on Committees. In addition, any member of the university faculty may nominate an eligible candidate at the meeting of the senate in February at which the Committee on Committees reports.

D. Primary elections are to be held for those committees for which there are more than twice as many nominees as vacant positions to be filled, in order to reduce the number of nominees to twice the number of positions to be filled. The primary elections are to be scheduled at the time of the regular senate meeting in March.

E. Regular annual elections to faculty committees are to be scheduled at the time of the regular senate meeting in April. For annual elections, the ballot for each committee shall list twice as many eligible nominees as vacancies to be filled in the election.

F. Election is by ballot distributed to all members of the faculty. Ballots are to be collected at the senate meeting at which the election is scheduled, or delivered to the secretary of the faculty within four days after the meeting.

G. A vacancy in an elective committee position is to be reported by the chair of that committee to the secretary of the faculty.

H. If circumstances warrant, and upon consultation with the committee concerned, the University Committee shall appoint, subject to confirmation by the senate, an appropriately qualified replacement to fill the vacancy through the remainder of the term.

6.07. TERMS OF OFFICE.

A. Unless otherwise specified, elected faculty committee members serve one-year terms and assume their duties on June 1 following their election.

B. Appointed faculty committee members serve from the date specified by the appointing authority until the appointing authority has designated a successor. If Faculty Policies and Procedures or faculty legislation establishing a committee specifies a term for an appointment, the appointing authority may extend the specified term for one year to avoid too great a turnover of committee members in a single year or to facilitate work in progress.

C. Unless otherwise specified, committee members may serve at most two consecutive terms or five consecutive years, whichever is greater.

D. Unless otherwise specified, terms of committee members shall be staggered to the extent possible.
6.08. COMMITTEE CHAIRS.

Unless otherwise specified, chairs of all Chapter 6 committees shall be faculty members. The chairs of all elected faculty committees are chosen by the members of the respective committees unless other provision is made. The chairs of all appointed Chapter 6 committees shall be designated by the authority appointing the faculty members unless other provision is made. Committees that elect their own chair shall do so on the call of the outgoing chair.

6.09. COMMITTEE REPORTS, RECORDS, RECOMMENDATIONS, AND POLICIES.

A. All Chapter 6 and ad hoc faculty committees shall report to the University Committee in writing at least annually. These reports shall be submitted to the Faculty Senate for its information. There shall be an opportunity for senators to ask questions regarding these reports. If a committee includes academic staff and/or student representatives, then the represented governance bodies shall also receive copies of the report.

B. All Chapter 6 and ad hoc faculty committee records and reports are official university records, and they may not be destroyed or discarded without the consent of the university archivist. When chairs of faculty committees wish to be relieved of files, they shall transfer all material to the university archives under any appropriate or desirable restriction of use consistent with state and federal laws. When the chair of a faculty committee changes, the outgoing chair shall transfer active files and other appropriate information to the new chair.

C. If a committee makes a recommendation or proposes a resolution for action by the Faculty Senate, the vote of the faculty members on the committee on the recommendation or proposed resolution shall be reported to the Faculty Senate along with the total committee vote.

D. Chapter 6 committees shall maintain a written statement of policies and procedures. A committee shall report any proposed changes to these policies and procedures and any contemplated action that would be an exception to these policies and procedures to the University Committee.

E. If a matter has been reported to the University Committee under the provision of 6.09.D. and if the University Committee so requests, the committee shall postpone action or implementation relating to the matter pending consideration and action by the University Committee and, if the University Committee so decides, by the Faculty Senate.

6.11. QUORUM RULE.

For the purposes of this chapter, a quorum exists when a majority of the voting members of a committee is present.
6.12. APPEAL FROM AND REVIEW OF COMMITTEE DECISIONS.

A. Except as otherwise specified, when these rules delegate authority to a faculty committee to take action without specific senate approval, the affected person or persons may appeal the committee action to the University Committee.

B. Except as provided in 6.12.D., whenever these rules authorize a committee to take action or recommend action to the administration without prior approval by the senate, if one-third or more of the faculty members of the committee believe that contemplated action is of sufficient importance that it merits consideration by the University Committee or the Faculty Senate, they, or the chair of the committee, shall report this to the University Committee, which shall consult with those faculty members, the committee chair and other appropriate persons. After such consultation, the University Committee may take such action as it considers proper, including submission of the matter to the Faculty Senate.

C. If a matter has been reported to the University Committee under the provisions of 6.12.B. and if the University Committee so requests, all steps to adopt or implement the committee action in question shall be postponed pending consideration by the University Committee and, if the University Committee so decides, by the Faculty Senate.
