Background/Purpose:

The amendments to the functions section update the committee functions to match the committee's ongoing work and to align functions with similar committees. The committee has been considering changes to the functions for the past several years and approves these functions in October 2024. These changes do not constitute a diminishment of the committee's work, but rather reflect the committee's role as it has been for several years. The functions were last updated in 2018.
